Say  
Thanks  
to a Miracle Worker at St. Joe's.

Looking for a Way to  
*Say Thanks*  
to a Miracle Worker at St. Joe's?

Whether you or a loved one were at St. Joe's for a life-saving surgery or a minor injury: whether you're here for ongoing dialysis or you delivered your baby at our Hospital, we know it's the care our physicians, nurses, and healthcare teams provide that makes all the difference.

Sometimes, it's a small gesture, like a reassuring smile or hand to hold. Other times, it's a heroic effort that truly changed a life. Our Say Thanks to Your St. Joe's Miracle Worker program is designed to help patients and families to thank and recognize those gestures, both big and small.

When donations are made, St. Joe's Miracle Workers receive a personalized note along with a wing-shaped lapel pin they can wear proudly, letting others know they've been recognized for delivering the very best care to our community.

Best of all, your gift will help to fund equipment purchases, research projects, education and renovations to patient care areas at St. Joe's, so our community can continue to count on our Hospital when they need us the most.
