INDEPENDENT AUDITORS' REPORT

To the St. Joseph's Health System and the Board of Directors of the St. Joseph's Healthcare Foundation.

We have audited the accompanying financial statements of St. Joseph's Healthcare Foundation, Hamilton, which comprise the statement of financial position as at March 31, 2011, the statements of operations and changes in fund balances and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of St. Joseph's Healthcare Foundation, Hamilton as at March 31, 2011, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

ST. JOSEPH'S HEALTHCARE FOUNDATION, HAMILTON

Notes to Financial Statements

Year ended March 31, 2011

The St. Joseph's Healthcare Foundation, Hamilton (the "Foundation") is incorporated without share capital under the laws of Ontario and is a public charitable foundation registered under the Income Tax Act (Canada). The Foundation receives, accumulates and distributes funds and income there from for the benefit of St. Joseph's Healthcare Hamilton.

1. Significant accounting policies:

(a) Fund accounting:

The Foundation follows the restricted fund method of accounting.

The General Fund consists of unrestricted net assets.

The Restricted Funds consists of net assets to be used in accordance with objectives specified by the donors.

The Endowment Funds consists of net assets contributed in perpetuity.

Expenses directly related to the activities of the Restricted or Endowment Funds are recorded as an expense of those funds. All other operating and administrative expenses are charged to the General Fund.

(b) Revenue recognition:

Pledges and donations are recorded as revenue when cash is received. Pledges outstanding are outlined in note 6.

Investment income earned which must be spent on specific activities is recognized in the Restricted or Endowment Funds. All other investment income is recognized in the General Fund.

(c) Investments:

Investments are recorded at fair market value. Investments denominated in foreign currencies are translated to Canadian dollars using the rate in effect at the balance sheet date.

ST. JOSEPH'S HEALTHCARE FOUNDATION, HAMILTON

Notes to Financial Statements (continued)

Year ended March 31, 2011

1. Significant accounting policies (continued):

(d) Contributed goods and services:

Gifts in kind contributed to the Foundation for which tax receipts have been issued are recorded at their fair market value.

Volunteers contribute a substantial number of hours each year to assist the Foundation in carrying out its fundraising activities. The fair market value of this work is not determinable and not reflected in these accounts, but the Foundation recognizes the very significant value of this contribution and states so here.

(e) Capital assets:

Capital assets are recorded at cost. Amortization is recorded over the estimated useful lives of the assets on a straight-line basis.

Asset	Rate
Furniture, fixtures and leasehold improvements	5 years
Computer hardware	3 years
Computer software	3 years

(f) Fundraising expenses:

Fundraising expenses include all expenses directly attributable to fundraising activities, excluding salaries.

(g) Operating and administration expenses:

Operating and administration expenses include salaries, fees, business and overhead expenses. Salary costs relate to both fundraising and administrative personnel.

ST. JOSEPH'S HEALTHCARE FOUNDATION, HAMILTON

Notes to Financial Statements (continued)

Year ended March 31, 2011

1. Significant accounting policies (continued):

(h) Financial instruments:

Financial instruments are initially recorded on the balance sheet at fair value. They are subsequently valued at fair value or amortized cost depending on the classification selected for the financial instrument. Financial assets are classified as either "held-for-trading", "held-to-maturity", "available-for-sale" or "loans and receivables" and financial liabilities are classified as either "held-for-trading" or "other liabilities". Financial assets and liabilities classified as held-for-trading are measured at fair value with changes in fair value recorded in the statement of operations. Financial assets classified as held-to-maturity or loans and receivables and financial liabilities classified as other liabilities are subsequently measured at amortized cost using the effective interest method. Available-for-sale financial assets that have a quoted price in an active market are measured at fair value with changes in fair value recorded in changes in net assets. Such gains or losses are reclassified to the statement of operations when the related financial asset is disposed of or when the decline in value is considered to be other-than-temporary.

The Foundation has classified its financial instruments as follows:

- Cash is classified as held-for-trading.
- Short-term investments are classified as held-for-trading.
- Cash surrender value are classified as held-for-trading.
- Accounts receivable are classified as loans and receivables.
- Accounts payable and accrued liabilities are classified as other liabilities.

The Foundation has elected to use trade date accounting for regular-way purchases and sales of financial assets.

The Foundation is subject to market risk, foreign currency risk and interest rate risk with respect to the Foundation's investments. To manage these risks, the Foundation has established a target mix of investment types designed to achieve the optimal return with reasonable risk tolerances. The Foundation employs diversification of assets across various industries and markets including Canadian, U.S. and International to manage the risk.

The Foundation has elected to not separately account for embedded derivatives.

(i) Capital management:

The Foundation considers its capital to be comprised of its fund balances. Restricted funds are subject to the externally imposed expenditure requirements of the donor.

The Foundation manages capital to safeguard its ability to operate and to meet its financial obligations as they become due.

ST. JOSEPH'S HEALTHCARE FOUNDATION, HAMILTON

Notes to Financial Statements (continued)

Year ended March 31, 2011

2. Cash surrender value:

The Foundation has received donations in the form of insurance policies. These policies have been irrevocably transferred to the Foundation. The Foundation has included within the financial statements those life insurance policies which include a cash surrender value option. The amounts recorded are the cash surrender values that the Foundation is currently entitled to.

3. Investments:
