Comfort, Privacy & Care...

BEST OF ALL

By choosing to stay in the comfort and privacy of a Celebration of Life Suite, you are also helping to fund patient care at our Hospital! 100% of the proceeds raised through these suites directly support the Women's & Infants' Program at St. Joe's.

Celebration of Life SUITES

The arrival of your baby marks an exciting time for you and your family. To make this time extra special while forming the first bonds of this important new relationship, we invite you to consider staying in one of our popular Celebration of Life Suites.

The Celebration of Life Suites are family-centred, hotel-like rooms that allow mom and baby to experience all the coziness of home while benefiting from the exceptional care St. Joseph's is known for.

Each private suite features warm décor; a spacious queen bed, private ensuite bath, in-room refrigerator and flat screen television with complementary cable service.

Plus, there's plenty of storage and comfortable seating for family, friends and other visitors bearing warm wishes on the safe arrival of your new baby.

SUITE RATES

These suites are available to you for \$99 per night above the private room rate. Keep in mind that if you have health insurance, it may cover some of the cost associated with a private room. It is a good idea to check your coverage before you come to the Hospital.

For more information on room rates and your coverage, please call the Mother Baby Unit at 905.522.1155, ext. 33314.

REQUESTING A SUITE

If you are interested in staying in a Celebration of Life Suite, please complete the form on the back and submit it to our Mother Baby Unit registration desk after you give birth. Because it is not possible to know exactly when your baby will be born, these special suites cannot be reserved in advance. Occupancy is on a first come, first served basis and is subject to your medical readiness for this type of accommodation.
