

In an effort to keep our community safe and healthy, we're going to bring St. Joseph's Healthcare Foundation's 23rd Annual Gala to you. Through an artfully curated and personally delivered **Gala Celebration Box**, we're working hard to bring all of the food, wine, auctions, entertainment and décor that make our gala so special, right to your doorstep.

So, whether you decide to tune in to our online gala during a private evening for two in your living room, or you choose to host a small gathering of corporate table guests in your backyard, St. Joe's will provide everything you need to host an elegant evening in your own home.

When you register, you'll be asked how many guests you plan on hosting. Based on that number, you'll receive a customized Gala Celebration Box. Each Celebration Box will include: appetizers, a signature cocktail, dinner wine, table settings and the gourmet meal(s) you've come to expect from the talented culinary chefs at LiUNA Station. We've thought of everything, from a centerpiece to dessert, and even a late-night salty and sweet snack selection.

The St. Joe's Gala wouldn't be the same without our coveted auctions, so we've found a way to provide exclusive access to our Silent and Vintage Wine Auctions via the Givergy online bidding app. You'll also be able to tune in to online gala greetings, stream live entertainment, and share photos with your fellow gala guests using a custom social media filter.

Through online videos, digital logo placements, social media amplification and photo sharing capabilities, sponsors of St. Joseph's Virtually Yours Gala will receive more recognition opportunities than ever before and our printed program will be an essential guide to help guests navigate this new event.

We know our gala is going to look and feel a little different this year, but we hope that you will join us in showing your appreciation and support for our Hospital's healthcare heroes by celebrating that **St. Joe's is Virtually Yours, in Hope, Health and Gratitude**. Our Hospital needs your help more than ever to care for our community, through COVID-19 and beyond. Thank you for your unwavering support of St. Joe's and we look forward to celebrating with you.
