**Around the Bay Road Race**

March 27, 2022

The Bay Race may be sold out, but St. Joe's can still get you in with a

## **St. Joe's Charity Spot!**

Here's how it works – To secure your charity spot, you just pay the corresponding registration fee amount below. The good news is we will refund whatever portion of the registration fee you are able to fundraise between now and race day. So if you fundraise the full amount, you'll run for free!

Race Category	Registration Fee
30K	Raise \$500*
The Hammer*	Raise \$750*
2-Person Relay	Raise \$1,000*
3-Person Relay	Raise \$1,500*

\*Please note that Charity Spot participants are not eligible to receive fundraising incentive prizes.

We'll support you with an online platform that makes fundraising quick and easy. Simply send an email or a text to your friends, family or colleagues and ask for their support and you'll be off to the races in no time at all. We'll be here to offer fundraising tips and strategies along the way.

Funds raised through this year's Bay Race will support the expansion and renewal of our [Emergency Mental Health Services](#) – a service that has never been more important than it is right now as our Hospital responds to the increase in demand for mental health care amidst the COVID-19 pandemic. As well, funds raised will bring us one step closer to creating a new [CT Suite in our busy Emergency Department](#) to help the patients we serve.

**Please contact Adam to register:**
